This drawing is to be read in conjunction with all other MJA drawings and written information, and all other consultants' information. Do not scale. Use figured dimensions only and report any discrepancies immediately to MJA.

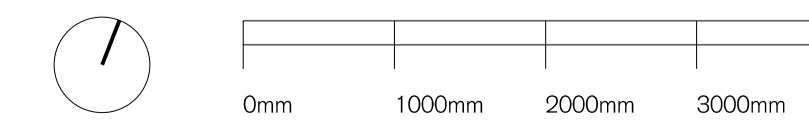

It is the contractor's responsibility to ensure all works are built in line with the current British building regulations, and to arrange visits from the appointed Building Control inspector.

This drawing and the designs within are copyright M Jones Architect, and may not be used or reproduced without permission.

This drawing is solely for use in submission for and assessment of planning approval. It does not guarantee compliance with any other building standards.

Use for any other purpose is strictly forbidden, and MJA accept no liability for any issues arise from their misuse.
